

Laser Distance Meter

LD-01/LD-02

Features:

- Area/Volume Measuring key
- Pythagorean proposition indirect measurement key
- 30 units storage
- Unit Conversion/Backlight
- Water Bubble Level Indicator

Technical Data:

Items	LD-01	LD-02
Max measured distance	70m	100m
Distance measurement precision	±2mm	
Measurement unit options	mm/in/ft	
Continuous measurement function	yes	
Outdoor target reflection board	no	
Area measurement function	yes	
Volume measurement function	yes	
Pythagorean proposition measurement function	Full mode	
Add and subtract measurement function	yes	
Min/Max value	yes	
Max storage	30 Unit	
Automatic backlight	yes	
Buttons/Keys sound	yes	
Laser level	II	
Automatic shutdown	150 Sec	

- **Standard Accesories :** Carrying Case,Safety Strap,Operation Manual
- **Dimension :** 118(H)×54(W)×28(D)mm
